EDUCATION

Name of Course	Year	Institution	Marks
B.Sc (H) Computer Science	2022-26	Hansraj College, University of Delhi	7.55 CGPA
AISSEE (Class XII)	2021-22	Lilawati Vidya Mandir Sr. Sec School, Delhi	94%
AISSE (Class X)	2019-20	Lilawati Vidya Mandir Sr. Sec School, Delhi	87.2%

WORK EXPERIENCE & INTERSHIPS

Associate Analyst United Airlines July 2026 - Present	- Completed Infosys Training covering topics of Devops, AWS, Aviation Domain and Cyber Security. - Shadowed Senior Business Analyst activities directly under his supervision. - Started Offshore scrum process with a team of 8, maintained records and worked towards effective coordination.
DevOps Analyst (Internship) Blu Parrot Ventures May 2025 - July 2025	- Spearheaded end-to-end deployment of 15+ diverse projects—including web apps, ML/LLM models, and data scrapers—for high-profile clients such as Suzuki, Bajaj Capital, and Josef, using modern stacks across AWS, Azure, and GCP environments. - Created Jenkins Server and implemented CI/CD pipelines from scratch, reducing deployment time by 20%. Collaborated with developers & clients directly and managed infrastructure single-handedly as the sole member of the DevOps function. - Managed IT assets using ITAM software Apexa-IQ.
Technology Intern(AWS) ZIGRAM Jan 2025 - March 2025	- Worked in hybrid cloud, managing API deployments, RDS upgrades, CloudWatch alarms, and Jenkins CI/CD - Used python scripting and cloud shell scripting to fasten the processes of tasks Documented deployment processes, and maintained a resource data sheet of different services Optimized costs by 10% through analysis & infrastructure clean-ups

POSITIONS OF RESPONSIBILITY

Technical Head in Ordinateur & CAS	- Organized and led "Code Crash" hackathon and "Anomaly" treasure hunt, applying skills in research, management, and communication. - Managed and trained technical team members, including beginner-level editing software instruction.
Bitwise Senior Designer Hansraj College	Bitwise is the series of Tech magazine Computer Science Department of Hansraj College, University of Delhi. I played the role of Senior Designer for the fifth edition of Bitwise where I designed the outlook of the magazine, managed the Designer Team, collaborated with teachers and past designers of the magazine and also helped the editorial team in article refinement.
College President of Ehsaas Foundation Hrc Unit	- Initiated and led the society, recruiting and inspiring members while overseeing strategic operations. - Initiated impactful drives, including the Pashu Aahar, Shikanji, and Cloth Donation Drives. - Received a Letter of Recommendation from Ujjwal Gaur, founding director and Supreme Court advocate.

EXTRA-CURRICULAR ACTIVITIES AND ACHIEVEMENT

Projects	Bank Loan Data Insights using Power BI - Created advanced Power BI dashboards for bank loan data analysis, focusing on loan applications, funded amounts, repayment trends, interest rates, and debt-to-income ratios to enable data-driven decisions. Link - https://github.com/seelimsii/bank-loan-data-insights-powerBI
	Air Quality Index Prediction Model - Utilized 2015-2020 AQI data for data preprocessing and developed a machine learning model to predict and rate air quality across Indian states. Subsequently, authored a research paper detailing these findings. Link - https://colab.research.google.com/drive/12cEgrAMRwqvY5ozW5NFd5FGuly85bUc_
	Complete Cloud-Native Infrastructure with Jenkins, Terraform & EKS - Engineered and deployed a complete AWS CI/CD pipeline for a containerized Node.js application. Automated EKS, VPC, and ECR provisioning via Terraform. Jenkins, triggered by GitHub webhooks, orchestrated Docker image builds, ECR pushes, and Kubernetes deployments, establishing a seamless code-to-deployment workflow. Link - https://github.com/seelimsii/devops-task/
Certifications	- A Certified Course of Cloud Computing and DevOps learning CCNA, RHCSA, AWS, and DevOps. - Certified course of Apexa MSP iQ learning ITAM. - Udemy Certified Course of Become SQL Champion by Harshit Bhadiyadra
Academic Achievements & Hackathons	2nd Best Research Award at Hansraj College's Research Display week on Intelligent Rice Plant Disease Detection and Advisory System using Deep Learning Best Poster Presentation Award in National Conference conducted by Sri Sai University. SIH'24 finalist: Child Safety and well-being theme based on emotional fitness. The objective was to develop a real-time safety measure for parents to monitor their children's external interactions and ensure their well-being by analyzing their emotional states through audio data. 1st place in "Hunt It Out" at Yudaspandana Fest, Shyam Lal College, demonstrating exceptional courage and problem-solving skills among 22 teams. - Awarded the Certificate of Excellence for developing the Dark Pattern Buster Mobile Application, contributing to research, ML model development, and content writing at the DPBH'23 hackathon organized by the IIT-BHU in collaboration with the Ministry Of Consumer Affairs, Food and Public Distribution.

OTHER INFORMATION

Skills	Cloud: AWS DevOps: Git, Jenkins, Docker, Kubernetes, Ansible, Terraform, Grafana Languages: C++, Python, SQL Linux Administration Data Analysis: Numpy, Pandas, Power BI Softwares: MS Office, Canva, Apexa IQ
